National Seniors Club Classic & National Seniors Pairs Championship

The **National Seniors Club Classic** is a Matchplay team event, now in its 20th year. Teams of four (+ up to three reserves) are drawn either at home or away in this knockout competition, arranged on a regional basis in the early rounds to minimise travel. Entry is £43 per team.

The National Seniors Pairs Championship is a major pairs matchplay event, again on a home or away basis and regional to begin with. You can expect to play about five rounds before reaching the semi-finals and final. Entry is £27 per pair and one reserve may be named to cover for any illness of either main player.

Maximum handicap in both is 18, players must be 55 or over. There is no maximum number of teams/Pairs that may enter from each Club. First-round losers in both tournaments are entered into a "Plate" tournament. Finals will be at Staverton Park in mid October.
