

Junior Newsletter March 2021

In line with the National 'roadmap', Allendale GC golf course opens on Monday, the 29th, after several months of closure. So, with the weather improving, it is time to renew your membership at Allendale Golf Club and enjoy playing some golf during the Easter holidays!

Junior Coaching

I have already sent out information about the golf coaching sessions with Philip Waugh that are scheduled for Thursdays, 1 and 8 April. The session on 8 April is already fully booked but there are still a few spaces on 1 April. Please email me if you want to reserve a place on April Fool's Day!

There will be further coaching opportunities in the coming months, and I will inform you about them in advance. Should there be enough interest, we will hold a weekly Club night.

Competitions

Club competitions for Junior members during the early part of the season are as follows:

- Saturday, 24 April, Junior medals
- Saturday, 22 May, Junior medals
- Saturday, 5 June, Davy Wilson Memorial
- Saturday, 19 June Junior Greensomes

On 11 July, the Club will again host a round of the Northern Junior Golf Tour which has been expanded to include Northumberland, Durham, Cumbria, Yorkshire and Lancashire. We currently have four junior members playing in this year's Tour, and the first of the five Tour venues in Northumberland is Foxton GC, Alnmouth, on 25 April.

Looking forward to seeing you out on the course

Best wishes

Valeria
